**MEMORANDUM FOR** Deputy Director (Support)

**SUBJECT** : Proposal to Revise Statement of Mission  
and Functions for the Office of Special  
Assistant for Planning and Coordination

1. In connection with the establishment of the office of the Deputy Director (Coordination), I have examined the possible duplication or confusion which might arise from the title and functions of General Truscott with regard to those of my own office. For your background, there are submitted herewith my memorandum to General Truscott dated 11 July 1957 and his reply dated 17 July 1957.

2. I recommend and, as you will see by his note, General Truscott concurs that the revision of the mission and functions statement pertaining to the office of the Special Assistant for Planning and Coordination attached immediately underlying this memorandum be issued in such manner as you deem appropriate.
